****Calcutta Auction –** Once entries are closed they will be auctioned off in the order they registered. Anyone can bid on a team except members of that team. The highest bid will purchase that team for the tournament. Auction continues until every team is purchased (bid starts at \$10). All the money collected from the purchase of teams is put into the Calcutta pot. Once a team is purchased the members of the team have the right to buy a 50% share of their team from the owner if they choose. At the end of the tournament the top 2 teams in the tournament get the percentage of the Calcutta pot based on where they finished – 70% 1st, 30% 2nd
